Jules Brown, Jeff Dickey, Rough Guides : The Rough Guides' Washington DC Directions 1 (Rough Guide Directions) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guides' Washington DC Directions 1 (Rough Guide Directions):

Slim, stylish and pocketable, Washington Directions is full of ideas for stop-overs, long-weekends and flying visits to one of North America's most fascinating cities, richly illustrated with hundreds of specially commissioned photos. The full-colour introduction features 28 themed spreads - from shopping and designer bars to architecture and art galleries. The second part of the guide, "Places", gives ditrict-by-district accounts of the sights, restaurants, shops, transport links and nightlife - all generously illustrated. Every listing and review is pin-pointed on accompanying user-friendly maps.

About the Author Jules Brown is a veteran Rough Guide author with eight guidebooks under his belt, inclding this one. He likes DC, which reminds him of Paris, without the rudeness.
