I haven't even finished reading and I can already tell I got my money's worth. Grab a copy of this and the next time you find yourself on the bowl, put the cell phone down and pick this up.1 of 1 people found the following review helpful. gonna wanna s*** in Boston without this book.0 of 0 people found the following review helpful. as well as everyone's worst fears, while out and about when natureBy andrew guilfoyleThe only complaint i have about this guide book is not being able to put it down. The author illustrations what everyone wants to see when they have to go on the go, as well as everyone's worst fears, while out and about when nature calls

Never before have you seen a guidebook series this wacky and outrageous. Come and join The Secret Shitter as he takes you on a guided tour of Boston's best (and worst) bathrooms. In this book you will find bathrooms from all around Boston's hot spots. You will be on the floor laughing as The Secret Shitter takes you on a tour like you have never read about before. Such settings include; historical places, train stations, retail stores, and hotel lobby bathrooms. You will get to know and trust The Secret Shitter's Five Star Review, rating system. The grading system includes; cleanliness, busyness, toilet paper quality, decor, accessibility, number of stalls, and stall comfort. See the bathrooms before you have to GO to the bathroom. This is the book to know when you have to go.
