## **Sierra Club : The Sierra Club Guides to the National Parks of the Rocky Mountains and the Great Plains**

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sierra Club Guides to the National Parks of the Rocky Mountains and the Great Plains:

0 of 0 people found the following review helpful. Engaging reading about the parksBy mkA bit outdated, but still packed with wonderful information about the parks from camping, hiking trails, fauna and flora, wildlife, and geology.
