It was a most unusual honeymoon not far from my home.1 of 1 people found the following review helpful. -- POETRY LIKE, MOST LIKELY BECAUSE HE IS A POETBy CustomerI AM ENJOYING THE WRITINGS, IT TOOK A WHILE TO CATCH ON TO HIS STYLE, BUT ONCE I DID, I

FIND HIM VERY DESCRIPTIVE, IN WAYS I NEVER WOULD HAVE THOUGHT,-- POETRY LIKE, MOST LIKELY BECAUSE HE IS A POET. I ENJOYED SIPPING A CUP OF COFFEE AND READING. ONCE AGAIN I FIND BOOKS WRITTEN MANY YEARS AGO, VERY GOOD!!1 of 1 people found the following review helpful. If you love Napa, this is a must read!By 3DThis book offers a look at life in Napa in 1880. While not written as a historical accounting of Napa, it is none the less and is as enjoyable as Lin Weber's books on the history of Napa Valley.I found this book to be informative, entertaining, and a must read for anyone who has a passion for literature, wine, and Napa Valley.

The Silverado Squatters by Robert Louis Stevenson is the record of a convalescence trip with the author's family to a rough mining camp in Silverado, California.

About the AuthorBritish, essayist, novelist and poet Stevenson sparkled for his novels of exploration and exciting journeys. He contributed many essays, tales and fantasies to various journals and magazines. All his works show consistency of style that is assiduously graceful.
