Great author, tons of useful infoBy Rodrigo Feliu B.I have read a lot of what Robert Niles has written the past few years, he know his stuff. I consider his advice as a "must" to help plan my Disney vacations. In my mind he had the most complete lists and useful comments.

From the opening of Shanghai Disneyland to Orlando's trying summer, Theme Park Insider: 2016 Year in Review looks at the top stories from the world's most popular theme parks. Chapters include Disney's move to include Marvel characters in its parks, date-variable pricing coming to Disney and Universal, the introduction of virtual reality roller coasters, the opening of The Wizarding World of Harry Potter at Universal Studios Hollywood and the emergence of Dubai as an important destination in the theme park industry. Theme Park Insider: 2016 Year in Review also includes our readers' ranking of the top new attractions introduced this year, plus a look ahead to the new rides and shows that parks will debut in 2017.
