general knowledge of the Celtics, this book is very redundant and boring. Most of the stories in this book, I had already heard prior to reading. I guess I expected more. 2 of 2 people found the following review helpful. Great Read
By Harold I purchased this book for my Celtics fan-crazy wife as a birthday present. She has thoroughly enjoyed reading it. She/I would recommend this book to any Celtics fan that would like a history of the Celtics culture. Enjoy reading!!! 2 of 2 people found the following review helpful. A great reading for any Celtics fan
By Rodger Anecdotes and in-depth stories about Celtics teams and seasons, from the glory days of Red Auerbach and Bill Russell, the championship banners, the dark days of Pitino and the disaster teams of the 90's to the redemption with the new big 3. A pleasant reading for all of us Celtics fans.
